Eligible applicants are considered any group, organization, business, or agency that has a special event relating to a national, state, regional or local function or charitable affair, of civic or cultural interest, which occurs periodically or on a one-time basis, and shall be classified by one of the three following categories:

- Non-profit: governments, churches, charitable organizations, & agencies without motive of profit.
- Borough Business: A business that has an existing physical location within Stroudsburg Borough.
- Non-Borough Business: A business not physically existing within the limits of the Borough.

Banner Design/Installation: For a **non-profit** organization, no more than **25%** of 1 side of the banner may be used for displaying the name of a commercial enterprise that supplied the banner and/or are assisting with sponsorship of the event. When a **for-profit** organization is sponsoring an event, the event advertisement must occupy at least **66%** of the banner's advertisement. Banners must be hung with ties on top and bottom of the banner, and it must have wind slots.

Scheduling and Duration of Banner: We request that each applicant keep their banners to a two-week maximum scheduled hanging time. This will ensure that as many organizations as possible have access to the banner sites. The Borough reserves the right to alter requested banner dates to help accomplish this. All attempts will be made to approve the times nearest the organization's event date.

Removal, Maintenance, and Return of Banner – Applicants must immediately remove a banner in the event the banner falls, tears, becomes unsightly, does not comply with this policy, or upon order of Borough Council. Any applicant removing the banner of another applicant is responsible for returning that banner to the owner.

Liability: The applicant is liable for any damages or injuries to his/her employees, members, agents, or property, and is also responsible in any event of damage or injury to a third party relating to the banner. **A certificate of insurance naming the Borough of Stroudsburg as ADDITIONAL INSURED must be submitted with this application showing coverage for the dates of the permit.**
