

Stroudsburg Borough Fall Leaf Collection Schedule

The Borough of Stroudsburg will provide curbside leaf collection from Tuesday, October 15, 2024 and will run until Friday, November 29, 2024.

Residents are asked to rake leaves to the edge/curbside of their properties before 7:00 a.m. of your collection day. In order to avoid interference with storm drains and the storm water systems, residents are asked to refrain from blocking sidewalks and piling leaves over the curb or in the roadways or gutters. Residents should also ensure that piles left for collection contain only leaves, with no other debris mixed in, as this is a safety concern for public works collection crews, and causes problems with the leaf collection machinery and disposal operations.

A detailed schedule, including days of the week when streets and neighborhoods will be serviced, is on the Borough website at www.stroudsburgboro.com, under the Public Works tab.

Brian D. Ace, Jr.
Superintendent of Streets
