

Borough of Stroudsburg

STROUDSBURG BOROUGH FALL LEAF COLLECTION SCHEDULE

The Borough of Stroudsburg will provide curbside leaf collection from Monday, October 17, 2022 and will run until Friday, December 2, 2022.

Residents are asked to rake leaves to the edge/curbside of their properties. In order to avoid interference with storm drains and the storm water systems, residents are asked to refrain from blocking sidewalks and piling leaves over the curb or in the roadways or gutters. Residents should also ensure that piles left for collection contain only leaves, with no other debris mixed in, as this is a safety concern for public works collection crews and also causes problems with the leaf collection machinery and disposal operations.

A detailed schedule, including days of the week when streets and neighborhoods will be serviced, is on the Borough Web site at www.stroudsburgboro.com under the Public Works tab.

Brian D. Ace, Jr.
Superintendent of Streets
