

Items for curbside collection are listed below. These items can also be taken to the recycling center during their normal business hours. Other items accepted only at the recycling center are: Styrofoam peanuts, and used motor oil.

**ITEMS NOT ACCEPTED:** Plastic bags, plastic pails, clothes hangers, motor oil bottles, Styrofoam egg containers, ice cream or paper milk containers, dog/cat food bags with plastic liners.

## **ITEMS FOR CURBSIDE COLLECTION**

### **NEWSPAPERS, MAGAZINES, PAPER/PAPERBOARD AND CARDBOARD:**

Place newspapers in brown paper bags, cardboard box, bundle with twine/string (do not tape together or use plastic bags)

Combine magazines and junk mail (glossy postcards and advertisements) in box, paper bag, or bundle with twine/string

Combine regular paper, paperboard (paperboard is glossy boxes i.e. cereal, cracker, frozen food boxes, NO container that contained liquid) and paper egg cartons (**not** Styrofoam) in box or brown bag

Breakdown and bundle corrugated cardboard separately with twine/string (corrugated cardboard is heavier with “lasagna noodle” looking middle)

### **GLASS JARS & BOTTLES:**

Sort bottles by color (brown, clear and green). Rinse all containers, labels may be left on. No windowpane, blue bottles, ceramics or light bulbs.

### **ALUMINUM:**

Cans and aluminum foil — Rinse and flatten aluminum cans.

### **PLASTIC BOTTLES & TUBS ONLY:**

Number 1-7 plastic bottles and tubs\* (soda bottles, milk & water jugs, detergent bottles, butter tubs and yogurt containers)

Rinse all containers, remove but include the caps and crush to save space.

*\* Plastics need to be free of contamination in order to be recycled properly. Please clean plastics so we can continue to take them!*

### **TIN AND STEEL CANS:**

Rinse cans thoroughly, Do not mix with aluminum.
